Rastalogy Class: God is a Man and a Ruler

By: Abbot Abdia (Lael Foxe)

In the bible it establishes that God is a man and man is god. This class is to explain to the ones who are in search and the Chosen (initiates) that the bible also establishes a royal dynasty. Genesis 1 vs. 26 establishes the royal announcement of the heir who is to take dominion over the workers and servants. We are made in the image of God; meaning the qualities that god have we have them also. The bible paints a picture to the average man making them believe the stories of the bibles literally and because the average mind lack the other two senses (Thinking & Reasoning) it slows their progress down and limits their understanding. The bible establishes in the book that the certain elements, animal and plants are groups of people and some are even royal families.

Judges 9vs 8-15 it establishes the trees (people) seeking a King to reign over them. Trying to find a identity they go from one royal family to another, it establishes that they needed a ruler. In the church we say "NO KING NO IDENTITY!!" and the bible establishes that man needed a ruler to govern them which is God who is the same Man but with a higher authority or from a royal bloodline. That is why Monarchy is the way for us, the bible establishes the Gods, kings, queens, governing us is the right way. 1st king 8vs 57-62 establishes again God as Ruler and that by following his ways its better for us and our ruler. The sacrifice that the bible speaks of is not sacrifices which people use in dark rituals or other things: sacrifices are the works which you put towards your ruler(GOD) and the nation. God in the bible is basically either the Ruler of a certain kingdom or nation or highest authority in priest, or politics. The bible establishes that God Dominated certain areas meaning he had people(followers) and with a multitude of people you have an army. That is why psalms 82vs 6-8 establishes

that dominated areas within that time, and that other gods, or the bible would say lesser gods, are just the people with low ranks within the royal family.

That is why we must understand that God is not a metaphysical being but he is Man who is the same God which ruled the earth and its inhabitants. In the image of god man was made male and female. Life cycle says that to produce life you need the basic elements Masculine and Feminine and the first book in the bible Genesis establishes that God said let "us" make man. The beginning we started with genesis and in the end we finish with Revelation 21 vs. 3-6 which establishes God as the ruler who sit on the Throne. This class is to clarify that God is a man and also a ruler in the bible.
