Rastalogy Class: Wisdom and Transformation

By: Bro. Abdia (Lael Foxe)

This class is about Wisdom and Transformation and how by understanding and mastering it, our appearance physically and mentally changes.(Transformation). Wisdom was put in man (male/female) by God=Elohim (Exodus 35:31) establishing that wisdom in Man from the beginning. God = Elohim, put wisdom in Man so that man himself could master the elements, air, earth, water and fire. Which would cause man to understand himself and His/Her as a duality, Higher self (light) Lower self (darkness) . Having mastered these stages, one can transcend and evolve (Transformation). Job 12:12-13 establishes that one must understand that Wisdom. is a inner ability that we have and understanding it and grasping it will take us to a higher level. (Isaiah 33:6) establish that Man's greatest ability is wisdom. Transformation occurs when one has enough experience to reach a higher level or when one transcends to a higher state. That's why (Proverbs 3:19-21) establishes that wisdom plays a major role in Transformation. From Tafari, Rastafari, Haile Selassie I, each reach a Higher state of mind and evolved. Wisdom Cause the Transformation Tafari the creator,. The Son of God, his experience as a child and a young leader brought his wisdom to a Higher state of Mind. And he Transformed into his (Manhood) Rastafari. Rastafari as King mastered wisdom. Therefore he understood the duality Higher self (light) and Lower self (darkness) within Man. Making him achieve his (God-head) Haile Selassie I. This example shows that thru knowledge, understanding, and mastery one can achieve Transformation by Mastery of Wisdom.
