Rastology Class on Family Hood

Family Hood, people of today have lost all values of what family hood means.

Let us examine the word family hood, wife, husband, children, and the home. This means family hood is the corner stone of civilization. The command of God to be fruitful and multiply, establish the directive of how the family should be. Genesis 1:28. This is a divine operation establishing a duality.

In the past, family was united in everything that they done. Today generation believe in separation of the family. They don't pray together, they don't even go to church together. They fail to comprehend the directive of God, they speak of love, which is as an overcoat they wear in the winter and take off in summer. The principle of family hood is base on compassion, meaning speak no evil, hear no evil, see no evil. The generation of today has lost all decency and integrity; they have lost all self of self. Even when it's time of light they still walk with darkness.

Lack of compassion created the generation of today who does not believe in the Laws of old nor do they fear the Laws, because of the break down of family. Genesis 2:24-25. Today because of the break down family hood, the essence of both flesh become one has loss its meaning. A one hated his own flesh (wife), a one hated her own flesh (husband). They use the economic plight to create a disunity that one has to question.

The Church of Haile Selassie I

What is married today? Is it to say, I do today and tomorrow I'm gone? The families of today are not playing their role as husband and wife. Matthew 19: 3-10

In The Church of Haile Selassie I, when you marry, you and your spouse become one. That is why your hands are symbolically tied; you have been bonded and become one by the divine law. Proverb 31: 10-31.

The problem is that the women of today are too independent and believe in this women "Lib". The men act as if they have married a maid and act as if they are Demo-Gods in the women life, breaking the command of Genesis 1:27, 2:24-25, "Equality". Your first love is to Emperor Haile Selassie I, in your life before any man or woman. Compassion is the base of God gift to man, when he established Genesis 2:24.

My brethren and sistren remember what married entail; keep the family alive, live by the Laws and remember what Proverbs 24: 3-5 say. "Through wisdom is an house builded; and by understanding it is established:

And by knowledge shall the chambers be filled with all precious and pleasant riches."

I will now close with Psalm 128 as the criteria. May the blessing of Yahweh Elohim, Emperor Haile Selassie I am with us all, to keep the family as one.

EMPEROR HAILE SELASSIE I LIVETH!!!
