RASTALOGICAL Interpretation on The Curse of "Ham" and His Blackness

First Ham was born Black and not cursed black by Yahweh Ham was born in the geographical area of "Eden" in the land of Ethiopia. Genesis:213. Where Yahweh had not caused it to rain Genesis:2-5. Where the Sun, always shining hot and the soil was warm and dark.

The birth colour of Ham became significant compatible to the birth of his father Noah which caused his father Lamech to question his mother.

When Ham was born he was dark, darker than his two brothers Shem and Japheth this caused his parents to give him the name "Ham" meaning dark skin. The definition of his name official is Black, fundamentally Yahweh was responsible for the colour of Ham Blackness.

The question of Yahweh cursing Ham black because he saw the nakedness of his father is absurd. The incident identified in the scripture dealing with Ham saw his father's nakedness is explained through Rastalogy.

Rastalogical interpretation

According to Genesis;9-20 "And Noah began to be a husbandman and planted a vineyard, Genesis:9-21" And he drank of the wine and was drunken and he was uncovered within his tent. Genesis:9-22" And Ham the Father of Canaan saw the nakedness of his father

and told his two brothers without.

Genesis:9-24 "And Noah awoke from his sleep and knew what his grandson Canaan had done. Genesis.9-25 "And he said cursed be Canaan a servant of servant shall he be unto his brethren.

Rastalogy sighted the alleged curse of Ham by Noah as a religious conspiracy by the established Christian Church of the slave masters and their governments to justify slavery and their expansionism in Ethio-Afrika.

There is no place in the St.James version of the Bible where Noah cursed Ham. This conception was planted in the minds of the Ethio-Afrikan people by the established Church of the slave master.

Rastalogical interpretation of Ham seeing the nakedness of his Father Noah.

Rastalogy sighted Genesis:2:22 "She is bone of my bone and flesh of my flesh because she was taken out of him man." "The two shall become one flesh"

Genesis.9-22 "And Ham saw the nakedness of his father" In interpreting this statement the reader must bear in mind the Duality of man. "Male and Female"

Reading Leviticus 18-8 Established new interpretation quote "The nakedness of thy father wife shalt thou not uncover, it is thy father nakedness". Again leviticus 20-11 stated "And the man that lieth with his father wife hath uncovered his father nakedness".

Genesis.9-21 "And Noah drank of the wine and was drunken and he was uncovered within his tent, Ham passed by the tent heard some commotion and the voice of his son Canaan, Ham knew he wasn't supposed to be in the tent, Ham looked inside and there he saw Canaan taking advantage to his mother wife of Noah, wherein this behavior causes the Genesis.9-22 to

fulfilled "Ham the father of Canaan saw the nakedness of his father and told his brothers"

This incident automatically brings Leviticus.18-8 interpretation "The nakedness of thy father wife shalt thou not uncover it., is thy father nakedness.

These two chapters of Leviticus established no doubt the interpretation of Genesis:9-22" And Ham saw the nakedness of his father, also area of Genesis 9-21 "Ham passed by the tent heard commotion and the voice of his son Canaan, Ham knew he wasn't supposed to be in the tent, looked inside and saw his son Canaan taking advantage of his mother, wife of Noah, wherein he told his brothers Shem and Japheth and requested them to go and cover their mother. He also asked them not to look with respect for their mother they went backwards and covered her body.

Rastalogy will now deal with significant phraseology and there meaning.

- (1) I saw my father nakedness=In other words, I was a witness. I saw exactly what took place and who did what to whom
- (2) Terminology "Father nakedness" has nothing to do with Nudity it a phrase used for sexual intercourse.
- (3) Went in unto=have sex Genesis.16-4
- (4) He knew her not: did not have sex..1st Kings.1-4
- (5) The term uncovering a relative nakedness is used for sexual intercourse.Deuteronomy.27-20.

Rastalogy identified incest Sex.

Genesis:19-30-38. Lot's daughters got their father drunk and have sex with him.

Genesis: 35'-22 Jacob oldest Son Reuben had sex with his father concubine wife Bilhah.

Genesis:38.1-26 Judah had sex with his daughetr in law Tamar.

In closing this writing on Ham curse and become Black because of the sexual sin of his son Canaan Rasttalogy question the logic of Lot not being curse for his daughters Sexual sin.

Jacob was not curse for Reubens sexual sin, Judah was not curse because he had sex with his daughter in law, but Ham was curse because of the sexual sin of his son Canaan?

I do hope this short writing dealing with Ham being cursed Black because of the sexual sin of his son Canaan and he Ham saw his father Noah naked and laugh, will assist the reader to find the truth.

Blessed be Jah-Rastafari-Haile Selassie.I. Amen.
